## 4 Hour Half Marathon Plan

NORTHERN
IRELAND

## How to use this programme

This is a 16 -week programme split into 2 blocks for runners aiming to complete a Half Marathon in 4 hours. The plan has been set out as a weekly plan from Monday- Sunday, but this can be adapted to suit your groups' needs. Days can be switched around and Run Leaders may like to facilitate the key sessions for their group on their regular training nights and so change them from Tuesday/Thursday to
Monday/Wednesday, for example and prescribe the short run to be carried out individually on another day. The group may also meet for the long run or it could be done individually.

## Key Pacing Information

Marathon Race Pace (MP): 9 min per mile Slow/Easy run: 9.40-10min per mile (6 Rate Perceived Exertion [RPE]) Interval Sessions - 8/9 RPE

## Structure of Interval Session
